

Our licensed massage therapists offer treatments that help our stressed-out, maxed-out bodies reduce stress, reduce blood pressure, stimulate circulation of body fluids, and increase our deteriorating range of motion. The Shimmer Spa has locations in both The Roxbury North and The Roxbury South. A spa pass (\$20 per person per stay) gives you access to both locations from 8am until 8pm. The Shimmer Spa North has a large reading library and relaxation area, two treatment rooms, a large steam room, and lockers. The Shimmer Spa South has a hot tub and dry sauna. We encourage you to "spa hop" while you're here and get the most out of both locations. If you choose to receive a spa treatment you may use the spa features immediately before or after your treatment.
