

Cleopatra is protected by a variety of fish indigenous to the area of the Red Sea where her tomb was discovered. Each species represents a different God or aspect of Egyptian Mythology. Mr. Reynolds wanted to make sure that Cleo felt at home!

Black Volitan Lionfish = The Sphinx

Dogface Puffer Fish = Anubis, The Jackal

Greenbird Wrasse = Bird Gods Horus and Thoth

Snowflake Moray Eel = Wadjet the Cobra Goddess

Magnificent Foxface = The Totemic Animal of the God Sha

Purple Tang = The Royal Pharaoh Color of Bluish Purple

Red Sea Clown Surgeon = High Priest to the Ruling Pharaohs
(Priests were often also clowns at the Egyptian Royal Court)

Asfur Angelfish = The Goddess Isis Manifested in Angel Form
